By signing up, you agree to our Terms of Use and to receive Wix emails & updates and acknowledge that you read our Privacy Policy.

3. On the new page that appears, either create a Wix account or log into an already existing account that you own.

Let's bring your ideas to life.

Answer some questions to get the best tools
for what you're creating.

Get Started

💬 🔔 | 🔵 Spencer ⌄

🗁 Create New Folder   + Create New Site

🔍 Search for a site...

4. Start creating your first site by clicking on the "Get Started" button for new accounts or the "+ Create New Site" button for old ones.
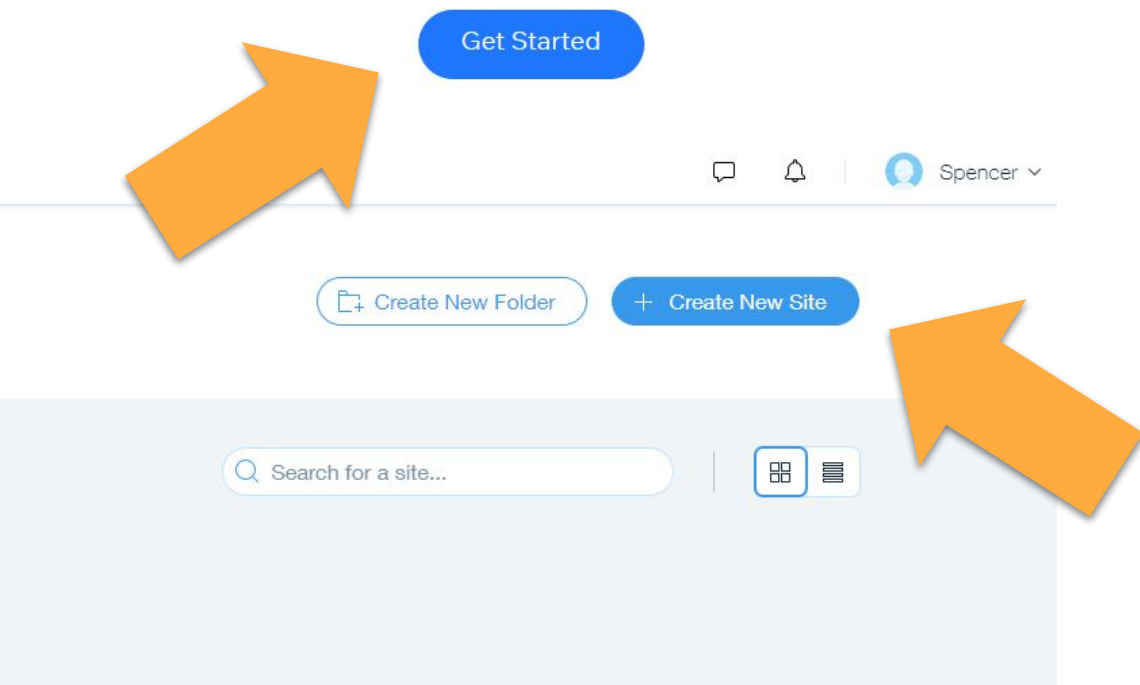

Who do you want to create a website for?

Myself
This is a site for myself or my business.

A company
This is a site for the company I work for.

My client
I'm getting paid by a client to create this site.

This is a sit...
a pa...

Someone else
I'm helping someone with their site.

5. When prompted on who you are creating the site for, click on the "Myself" option.

6. When prompted on your website creation experience, click on "This is my first time."
